New Business:

The evening began with Guest Keynote Speaker Kim Meltzer, State Representative for the 33rd District of Macomb County and Entrepreneur / co-owner of CAMmand Machining LLC, Romeo, Michigan.

She presented her "optimistic" view for all careers and pathways around Macomb County keeping in mind that she is coming from what all consider the most difficult career or pathway to recover from, Manufacturing. Dinner was served after her keynote address followed by our breakout session.

3. Discretionary Question or Discussion:

Spoke on the merge of the two classes of Child Care and Teacher and how to do it.

It was suggested to do it as a two year program. Question was on funding doing it this way. It was found out to be ok by Bonnie Awrey-Kaulfuss.

Another suggestion was using next year as a transition year with teaching Child Care and filtering them into the new "Education" course.

Questions arose about VG endorsements and teaching the merged course. Several were told by Norma Tims that having the South Carolina course and a masters degree and teaching for 5 years is the equivalent to the VG.

Names were discussed for the new course. Teacher Education was a suggestion.

Discussion took place on the teacher being on site with the teacher cadets.
