Dear Macomb Educators,

The Macomb ISD has provided districts with Data Director for the past five school years. The common assessments that were created to assess the English Language Arts High School Units have been placed into Data Director. In addition, the English Language Arts Consultants have continued to develop assessments for grades K-12. As they are developed, the exams are uploaded into Data Director and are ready for teacher use.

The exams are available for both formative and summative assessments. All of the exams have been uploaded and are in a PDF format on Data Director. Also, teachers may wish to only print the tests and score them manually. By keeping the assessments in Data Director, the security of the exams can remain intact.

Assessments are available for

- Pre and Post Reading Assessments for High School Anchor Texts
- MLPP K-3 Assessments
- Grade Level Reading Passages 3-8th Grade
- Middle School Assessments
- ACT Reading Passages
- MEAP Prep

The following pages of this document include a list of the exams by grade level and test number. Please be sure to **use the 2015-16 exams**. If you have any questions or concerns, please do not hesitate to contact one of us through Alicia Pierre Louis at, asearles@misd.net.

Sincerely,

ELA Consultants
