

Macomb Mathematics Steering Committee Meeting

The purpose of the Macomb Mathematics Steering Committee is to guide the activities involving mathematics education in Macomb County. These activities currently focus on communication between K-16 mathematics educators in Macomb County and the Michigan Department of Education. The goal of this communication is to improve the intellectual quality of student performance.

Agenda Thursday, December 4, 2008 Distance Learning Meeting 8:00 am - 3:00 pm
