Elementary Media Materials

~Marine Animals~

ELEMENTARY MEDIA MATERIALS ON MARINE ANIMALS 2007

- ⊕ **Animal Life In A Tidepool**
300692 VH
IJ 12 min 1992 Aims Instructional Media
Introduces ocean tides and tidepool formation. Examines anemones, urchins, starfish, sponges, mussels, crabs, and small fish that live in tidepools. Learn how they eat, interact, and protect themselves from predators. Contains teacher guide.
Marine Animals; Oceans & Oceanography

Animals And How They Live

For descriptions see individual titles:
Dolphins And How They Live [302316]
Manatees And How They Live [302289]
Seals And How They Live [302286]

- ⊕ **Animals Of The North Pacific**
300769 VH
IJHCA 18 min 1993 Aims Instructional Media
Presents the unique and beautiful animals of the North Pacific Ocean: Stellar Sea Eagles, arctic birds, sea lions and seals as well as beaked whales, crustaceans, jellyfish and scallops. Contains teacher guide.
Animals - Habits & Behavior; Birds; Habitat (see also Biomes, Wetlands); Marine Animals; Science

- ⊕ **Beneath The North Atlantic**
300770 VH
IJHCA 28 min 1993 Aims Instructional Media
Journeys through the temperate waters of the North Atlantic Ocean. Divers observe creatures' feeding, swimming and breeding habits as well as body structures for protection. Includes moon snails, flounders, sea cucumbers, sea ravens, wolf fish, long fin squid, sea robins, sea anemones and sea stars.
Animals - Habits & Behavior; Coelenterates; Echinoderms (see also Starfish); Fish; Habitat (see also Biomes, Wetlands); Invertebrates; Marine Animals; Mollusks; Science

Bill Nye, The Science Guy

For descriptions see individual titles:
Fish & Marine Mammals [300648]
Food Web & Ocean Life [300716]
Forensics & Genes [300722]
Genes [211156]
Marine Mammals [211163]
Ocean Life [211197]

- Burt Dow: Deep-Water Man**
210934 VH
PI 10 min 1983 Weston Woods
Tale of a retired fisherman who can't get enough of the sea. Burt hooks a whale by the tail and bandages the hurt spot. The whale in turn saves Burt from a storm by swallowing him. Contains teacher guide. Based on the book by Robert McCloskey. Uses sketches of images.

Adventure Stories; Children's Stories; Fun Films; Literature; Mammals; Marine Animals; Personal Development (see also Feelings, Goals, Values, Self Esteem); Problem Solving (General); Science; Titles Based on Books, Stories, Etc.; Whales

- ⊕ **Dolphins And How They Live**
302316 VH
IJ 19 min 1995 Aims Instructional Media
Animals And How They Live Series - Visits a pod of wild Spotted Dolphins in the Bahamas, to learn how they conduct their daily lives. Contains teacher guide.
Dolphins; Marine Animals; Science

Dolphins, Rays And Other Adaptations

- 210095 VH
IJ 15 min 1994 Altschul
Science Of the Seas Series - Examines dolphins, rays and sea birds and tells how their various adaptations help them survive. Presents a variety of sea creatures demonstrating specialization at work. Contains teacher guide.
Animals; Animals - Habits & Behavior; Cold Blooded; Dolphins; Fish; Mammals; Marine Animals; Rays; Science; Vertebrates

Ecosystems

- 211088 VH
IJ 22 min 1992 Richard L. Dolph Media Group
Understanding Science Series - Describes the ways plants and animals disperse. Compares the six major land biomes and explains the factors affecting cycles and rhythms of living things. Contains teacher guide.
Biomes (see also Habitat, Wetlands); Ecosystem; Habitat (see also Biomes, Wetlands); Marine Animals; Science

- ⊕ **Eyewitness: Discovery Series**
Ocean
302134 VH
IJ 30 min 1997 Library Video Company
Visit the alien world of the deep and come face to face with some of the most bizarre creatures on our planet. CLOSED CAPTIONED.
Captioned Titles; Marine Animals; Oceans & Oceanography; Sci.I.1; Sci.V.2

Field Trip

For descriptions see individual titles:
Orange County Marine Institute [210979]

- ⊕ **Fish & Marine Mammals**
300648 VH
I 52 min 1995 Walt Disney Productions
Bill Nye, The Science Guy Series - Part 1: Explore the depths with these creatures and discover how they breathe, grow and survive in the water. The music video is a parody of Sam & Dave's "Soul Man" featuring Swan & Dive's "Sole Man". Part 2: Explains that marine mammals are more like humans than fish. Hear mammals communicate underwater and find out how our "relatives at sea" have found ways to live in oceans all around the world. Contains teacher guide. CLOSED CAPTIONED.
Captioned Titles; Fish; Mammals; Marine Animals; Sci.III.2; Science

Flipper The Seal - 2nd Ed

- 206031 VH
PI 14 min 1981 Coronet Films
Flipper is one of thousands of seal pups born every year on the Pribilof Islands. Nursing at his mother's side, struggling to avoid the ponderous bull seals, getting rescued from a rock crevice by his mother and learning to swim are some of his adventures. Shows how biologists count, tag and trace the seals in their work of conserving the herds.
Animal Stories; Literature; Mammals; Marine Animals; National Wildlife Week; Science; Seals

- ⊕ **Food Web & Ocean Life**
300716 VH
I 52 min 1995 Walt Disney Productions
Bill Nye, The Science Guy Series - Part 1: Demonstrates that all living things depend on other living things to survive. Guest star Alfonso Ribeiro of Fresh Prince of Bel Air. Part 2: Talks about ocean ecosystems and the importance of small organisms such as coral, plankton and kelp. Marine biologist, Karen Montano takes a troop of kids to explore tide pools, which she
