

Macomb ISD – Medicaid Project – HyperSend Screen

The screenshot shows the HyperSend web interface for creating a delivery. The interface includes a navigation bar with tabs: **send**, pick up, track, address book, options, and log out. The **send** tab is highlighted with a red circle and a callout that says "Choose the Send Tab".

Below the navigation bar, the page title is "Create Delivery - afaja@msd.net". The "To:" field contains "ROSES@MISD.NET" and is circled in red. A callout points to it with the text "Just Read It." Below the "To:" field, there is a note: "You can send to anyone by simply entering their email address. If they don't have an account, we'll sign them up and deliver your files securely." The "Subject:" field contains "ROSES FOR MEDICAID".

The "Message:" section contains a note: "Note #1: You should have run the ROSES Utility 'PREP FOR MEDICAID' before using this send option. The Utility selects the proper records and places the file into your c:\HyperSend Outbox Folder on your computer." Below this is a text area for an optional message: "(Optional) Type your message here... if you want to tell us something about this submission." A callout points to the "Browse..." button with the text "Ignore The Browse Button!".

Below the message area is a "List of files that will be sent:" section with a text area containing "LEAVE THIS BOX BLANK", which is circled in red. Below this are "Send" and "Reset" buttons.

The "Advanced Options" section is below. A callout points to the "Include files from my Outbox" checkbox, which is checked, with the text "This Box MUST Be Checked!".

Under "Schedule delivery to occur:", the "Now" radio button is selected and circled in red. A callout points to it with the text "Choose NOW, unless you want to send later in the day." The "At" option is set to "08:00am".

Under "Repeat this delivery how often:", the "Once" radio button is selected and circled in red. A callout points to it with the text "Keep This As Is!".

Under "Security measures for attached files:", the "SSL encrypts all deliveries to/from the HyperSend secure server." radio button is selected and circled in red. A callout points to it with the text "Keep This As Is!".

At the bottom, there are "Send" and "Reset" buttons. A large callout points to the "Send" button with the text "Click SEND when you have confirmed all of the above".
