

**Individual analysis of expectations from one grade level**

Review each section of the content expectations; identify important concepts based on introductory statements.

Code **expectations** using 1-2-3 numbering system:

<b>1</b>	<b>2</b>	<b>3</b>
Currently teach this content at this grade level. Will need little instructional modification.	Currently teach <b>related</b> content. Will need to modify instruction to meet this expectation.	New content or expectation for this grade level. Do not currently teach this expectation.

**Record Code for each expectation on the response page.**

Use the comment section to

- Identify expectations or portions of expectations that need clarification and explain.
- Note when examples are needed for deeper understanding.
