You MUST have Starlab Certification in order to register for Starlab. The use of our Starlab requires that ONLY TEACHERS WHO HAVE RECEIVED TRAINING THROUGH MISD are allowed to use Starlab. Schools, which violate this rule, will forfeit all future privileges to use STARLAB. An inventory sheet must be filled out upon receipt of Starlab (mail or fax to Genine Hodges/MISD) and also upon completion of using Starlab (leave a completed copy in the folder with Starlab and mail or fax a copy to Genine Hodges/MISD). Due to the unusual high number of lost items, in prior years, the Certified Users will be held accountable for the replacement of damaged or missing items.

There is a fee of \$10.00 per day for the use of Starlab. A late fee of \$20.00 per day will be charged for returning Starlab after the specified time. Please return this form and a check made payable to the Macomb Intermediate School District to:
