

Spectrum Child & Family Services

Spectrum Child & Family Services concentrates on child welfare and provides an array of services to children, youth and families living in Berrien, Genesee, Kent, Macomb, Monroe, Oakland, Wayne, and Washtenaw counties. We serve children and teens who have a history of delinquency or have been neglected, abused or abandoned; are medically fragile, have multiple handicaps, dual diagnosed and behaviorally and/or emotional impairments

The overall goal of Child & Family Services is to improve the lives of children by strengthening and empowering the family unit to become self-sufficient, stable and competent. Spectrum offers a wide range of programs and services that encompass the needs of an individual from birth to age 18.

Spectrum Human Services, Inc. & Affiliated Companies is a child welfare and mental health human services organization. We work everyday to ensure that the best opportunities are available and do everything in our power to uplift, educate, empower and motivate those in our care.

We provide services daily to over 1,500 mental, physical, emotional and/or behavioral challenged children, youth, teens and adults living in Berrien, Genesee, Kent, Lapeer, Livingston, Macomb, Manistee/Benzie, Monroe, Oakland, Washtenaw, and Wayne counties.

"The true measure of a community is the care it gives to its members in times of need"

PROGRAM FOCUS

The Teen Parent Program provides home based intervention services to minor parents, male and female, who are in need of parenting education, community services and support.

We believe all families have the potential to be healthy, functioning, valued members of the community, and each member of the family is entitled to dignity and respect. We believe all people have the right to receive services that support them in achieving their highest potential.

Our commitment is to provide quality strength based, family centered services that demonstrate cultural competency in partnership with families. We believe these services will empower them to make choices in their lives to achieve their maximum capabilities.
