

Help Wanted

The Macomb County Parent Coalition is looking for parents of young children (newborn-12 years of age) to join our parent coalition.

The Parent Coalition is a branch of the Great Start Collaborative-Macomb which is a network of public and private services and supports, working together to make sure every child in Macomb County has a Great Start and arrives at Kindergarten healthy, safe and ready to succeed.

As a Parent Coalition, we are an advocacy group designed to help spread the word about the importance of early childhood development through:

- ★ Advocating for quality services for children newborn to age 5
- ★ Contacting Policymakers
- ★ Sharing Information

We are here to remind others that investing in our youngest citizens benefits our children's future success and our community.
