# Thanks

to the following  
**Macomb County Manufacturers**  
for your support . . .

## Macomb County Manufacturing Day

Manufacturing Day is a celebration of modern manufacturing meant to inspire the next generation of manufacturers. On October 7, Macomb County celebrated its fourth annual MFG DAY. Thanks to the willingness of 54 local companies to get involved, an estimated 2,000 high school students visited area plants to see the industry in action and learn about career opportunities.

### A special thanks to our 2016 MFG hosts:

## Auto Steam Days

Macomb Community College combined their Robotics, Engineering & Technology (RET) Days and the Automotive Design and Engineering Career Expo for a **new** special event known as Auto Steam Days for students in grades 6–12. Interactive exhibits on October 19–20 allowed an estimated 2,500+ students to discover automotive design, robotics, manufacturing and the technology that makes it happen.
