

MI *Bright*
FUTURE

WILL YOU ANSWER THE CALL?

You can save the future!

Michigan High School Students Need You

Many students are struggling to find the pathway to their full potential.

DO YOU EVER WISH YOU HAD
SUPER POWERS? **YOU DO!**

**Be super to someone as a virtual mentor
with MI Bright Future!**

Any industry . . . any career . . . any advice you have!

**As a MI Bright Future
Career Coach you will:**

- Make an impact in less than 15 minutes a week
- Share your experiences with thousands of students
- Help tell the story about what your industry is really like
- Choose your level of engagement
- Connect your company with your community!

MI Bright Future is a program that helps students connect with super local professionals to learn more about careers and the education pathways to get there.
