

## Using This Directory

Area Codes. The area code is 586 unless otherwise noted.

Listings. Under *Administration* in a district's main listing only the Superintendent and the person in charge of Business, Curriculum, Human Resources and Special Education are shown because of space constraints.

The *Program Contacts* section near the back of the book shows more areas of responsibility. For 14 specific areas, each district's contact person is listed. When responsibility is shared equally or split, a district's listing may show more than one contact.

Turn to the online version of the directory where space is unlimited for even more administrator and program contact listings.

Work locations. Work locations for staff members who work at sites other than a district's central office are noted in italics. If no location is noted, the person most likely works at the district's central office. Always check first.

(Secretary/Administrative Support). A name in parentheses is a secretary/administrative support person.

Online version of the directory. Go to [www.misd.net](http://www.misd.net) and choose the *Macomb Schools* tab. There are two formats for the directory:

- Choose *Print Directory* for a printable version (.pdf) that looks like this one. It is updated many times throughout the year.
- Choose *Online Directory* for a version laid out in table format. It's sortable and it features more listings, more details, links to individual districts, links to email addresses, maps and more. The online directory is updated throughout the year.

Reporting changes. Each district has a contact person who helps keep the directory up-to-date. For a complete list of those responsible for directory updates, turn to the "Directory Updates" pages in the *Program Contacts* section of this document.

To order a directory. Copies are \$5 each. Make checks payable to *Macomb Intermediate School District*. Request a copy by contacting:

## Macomb Intermediate School District

### **Service, Support and Leadership**

We are the Macomb Intermediate School District.

We provide quality service to special education and general education students, instructional and technical support to school staff, and cutting-edge educational leadership in Macomb County.

We are committed to all the students of Macomb County. To serve them well, we are resolute in involving parents, school personnel, and the community at large, including business, government, and civic organizations as active partners in planning, delivering and evaluating our services.

We work directly with individuals with disabilities who reside in Macomb County school districts. We serve students of all ages, from newborns to adults, meeting their unique learning needs and supporting their families along the way.

Within the 21 local districts and public charter schools, we focus our efforts on building capacity with school staff. Through quality training and instructional support, we increase their knowledge, skills and abilities, so all students receive a rigorous and effective educational experience.

We promote all aspects of the educational process through our development and support of technology. We provide training in the use of essential technology tools that enhance curricular, instructional and administrative services in our schools and, as a result, opportunities are expanded for all.

We work collaboratively with colleges and universities and are leaders in state and national programs. We anticipate needs and opportunities, all with the single purpose of identifying, developing and implementing programs and practices that, through education, improve the quality of life in Macomb County.

The Macomb Intermediate School District (MISD) is an Equal Opportunity Employer. It is the policy of the MISD that no person on the basis of race, creed, color, religion, national origin, age, sex, height, weight, marital status, or disability shall be discriminated against, excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination in any program or activity for which the MISD is responsible. Inquiries regarding compliance with Section 504, Title IX, or the Americans with Disabilities Act may be directed to: Rosetta K. Mullen, Assistant Superintendent of Human Resources/Legal Affairs and Coordinator under Section 504, Macomb Intermediate School District, 44001 Garfield Road, Clinton Township, Michigan 48038-1100, 586/228-3309.

The MISD will provide, upon request with advance notice, appropriate auxiliary aids and services necessary to afford a qualified individual with a disability equal opportunity to participate in the services, programs and activities conducted by the MISD. To request auxiliary aids or services call 586/228-3309; Text Telephone (TTY/TDD) 586/286-8040.

## International Academy of Macomb

The International Academy of Macomb (IAM) is a public, tuition-free high school for students from 18 Macomb County school districts. IA Macomb provides a unique blend of rigorous academic standards, practical career-related experiences, and intercultural learning opportunities.

IA Macomb is located at Chippewa Valley High School in the 9th Grade Center building. It began this year (2008-09), accepting 125 ninth grade students. IAM will accept 125 ninth graders each school year until it reaches its capacity of 500 students in the fall of 2011. The first graduating class will be in 2012.

For more information about the program, check the website listed.
