UPDATING

IBM iACCESS CLIENT SOLUTIONS

May 2022

Guide to updating the IBM iAccess Client Solutions - Windows 7,8,8.1,10

Macomb Intermediate School District

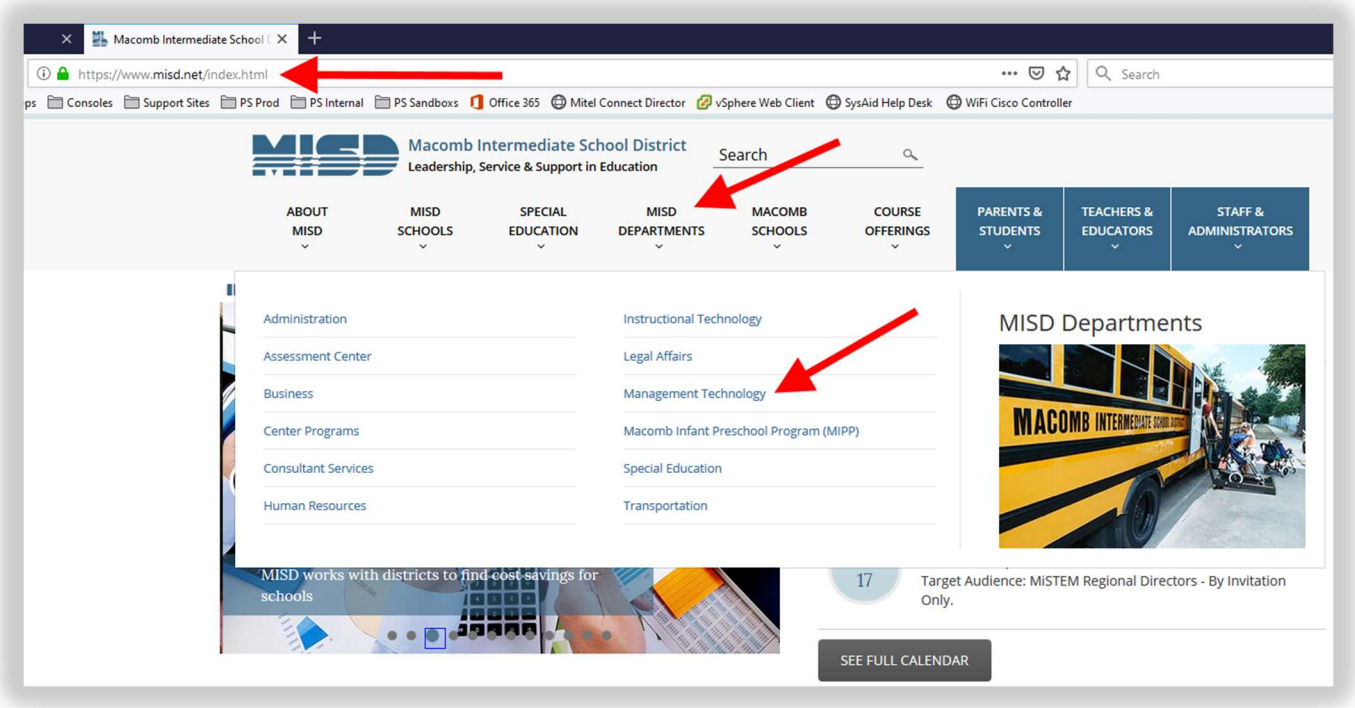

Help@misd.net

Download the Newest Files

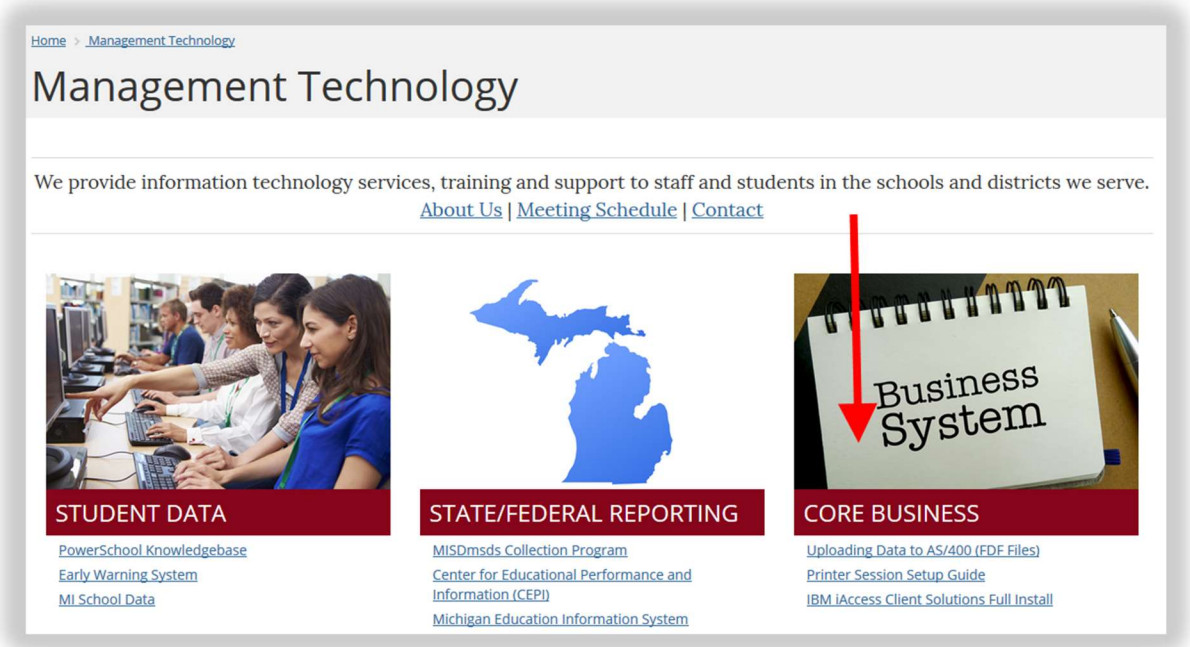

Go to https://www.misd.net/index.html in your Web Browser

Right click on “MISD Departments”

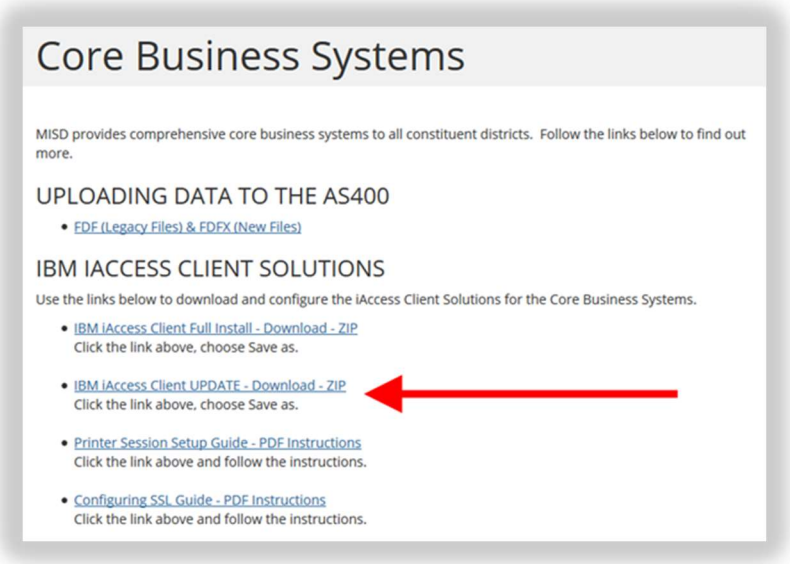

Select “Management Technology”

Click on “Core Business” Box

Click on the “IBM iAccess Client Update -Download - ZIP”
Save the .zip file to your desktop

Replace your Existing Files

1. Close all Display Sessions and Printer Sessions.
2. Extract the .zip file above and copy these files: **acsbundle.jar & AcsConfig.properties**
3. Browse to **C:\Program Files\IBMiAccessv1r1**
4. Paste new files and Click **“Replace the files in the Destination”**
5. Once the files are replaced, IBM iAccess Client Solutions is updated and ready to use.

If you have any issues with updating the IBM Keystore
