MARCH 2024

## Notes From the Principal

Staff and students are ready to Rock, Roll and Read into March is Reading Month! In honor of the 50<sup>th</sup> anniversary of Glen Peters School, we will be celebrating reading month 50's style. From a "Drive in Movie" in the gym to an interactive music lab, we plan to dance and read our way right through March and into Spring! We encourage families to complete the provided reading logs once again with their student. During the month of March, we will also welcome a variety of unique animals from *Science Alive*. Thank you to the Friends and Family of Glen Peters for continuing to sponsor this opportunity for students. The Easter Bunny will be hopping by Glen Peters on March 19<sup>th</sup> to visit with students. Thank you to our amazing staff that braved the cold and took the Polar Plunge in support of Macomb Special Olympics. We are grateful for their dedication (and bravery) in supporting our students!

## Notes from the Nurses

The winter dental clinic is now complete! Thank you everyone for making the Dentist's visit a success for our students! With March, spring is right around the corner, but lingering winter germs are still here. Remember to practice good hand hygiene and stay home when not feeling well. Everyone can help in making our school healthy and reducing those germs.

## Hello From Miss Kristina's Preschool SXI Team!!

My wonderful room is working its way through the alphabet!!! We are having so much fun exploring our letters and making our very own alphabet book. Every week we are moving along through the alphabet and have fun exploring different activities that go along with the letter of the week. We are currently starting letter G and can't wait to see what GREAT fun with will be. We will revisit some of our old letters during March is Rock'N'Roll Reading Month, where we will celebrate Elvis & Grease Week.

## Hello From Miss Sarah's Post-Secondary SXI Team!!

We have been busy doing winter activities!!!! We got creative with snowmen, even though our snow has been minimal. We had fun at our winter Olympics that was hosted by us. We enjoyed visiting with our Bovenschen friends and participating in the games!!! Our Community Based Educational Experiences have been fun. We enjoyed our trip to Stahl's Car Museum. Even though winter is fun, spring and sunshine are looking better! We can't wait to go outside, enjoy more activities, and to experience some of our community trips that we participate in the spring and summer time.

## Notes From the Social Worker

A special thank you to all of the families who participate in our holiday grams. This money is used specifically to purchase prizes for our GOTCHA Store. A few of our new options are pictured here. We continue to strive to build an inventory that is engaging and appealing to all of our customers. Classrooms who go out into the community shop for our special prizes to fill our shelves. Our MOCI classrooms are great employees who set-up and run the store on a weekly basis. It is a collective effort that has major benefits for the students of Glen H. Peters.
