Note: These Standards Conversion Scales apply to all schools on this server.

1. +/- (Yes/No) Scale

New			
Grade/Label	Description	Cut-off	Grade Value
Yes	Yes	70	70
No	No	0	0

Cut-Off is the final calculated percentage that the student must meet or exceed in order to receive that grade/label as a final grade.
Grade Value is the percentage used for calculations when this grade is entered as an assignment score.

Ensure that each grade/label has both percentages listed.

2. Assess Standards – Numeric Scales

Option	Value
Name	Assess Standards
Type	Numeric (zero decimal places) ▼
Min	0
Max	140
Decimal Places	0

3. DRA Score – Select Group of Numbers and the Letter A
