

# GPS/Geocaching

## for 6th - 12th Grade Teachers

Come join in on the fun and excitement of using GPS and Geocaching to make your science curriculum come alive. Geocaching is a high tech cross-curricular scavenger hunt that will engage your students while making real-world technology accessible and understandable. Teachers will spend the day learning how GPS works, and participating in hands-on activities applicable to the classroom and HSCE/GLCEs.

.7 SB-CEUs  
are available  
for this  
workshop

Tuesday, November 10, 2009

8:00AM - 4:00PM

Registration Fee: \$50.00 (includes lunch & materials)

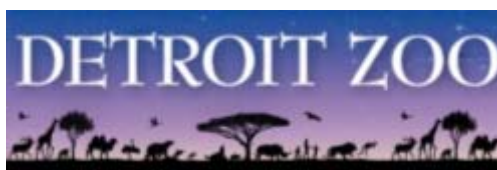

Ford Education Center at The Detroit Zoo

8450 West Ten Mile Road
