and lunch

YOU WILL LEARN

1. Ways to set up Socratic Circles in your classroom
2. How to teach and assess the skills for successful Socratic Circles
3. Circle variations and ways to effectively present the Socratic Circles in your classroom

PROGRAM DESCRIPTION:

Socratic Circles are in-class discussions focused upon a particular piece of text which students have spent time reading and analyzing. Students work cooperatively to construct meaning from what they have read and avoid focusing on a “correct” interpretation of the text. This program will offer an introduction to the process of Socratic Circles and provides resources and materials to begin using the strategy immediately.

ON-LINE REGISTRATION

- Go to MISD’s website (www.misd.net)
