2019-2020 School Year

Goals

- Provide a safe and creative environment to contribute, receive feedback and encouragement as members implement a complex K-12 assessment system within their districts
- Build foundational assessment literacy skills
- Utilize the results from a quality balanced K-12 assessment system to advance student achievement
- Appropriately utilize assessments for evaluation and accountability needs
- Will focus on the usage and implementation of NWEA in a K-12 setting
- For all members to have the opportunity to contribute to the agenda of each meeting

Members

A leader, at any level, who influences the implementation and usage of K-12 assessment and data within their district.

Dates and times
