#### **Network Description:**

These sessions are designed to help teachers implement GLCE/HSCE with the units and lessons of study from the Michigan Citizenship Collaborative Curriculum (MC3). Teachers examine best practices in the teaching of social studies and learn practical instructional strategies for use in their classroom. This will include content area literacy strategies, literature connections to social studies content, and ACT prep, where appropriate. Teachers will receive all teaching material created by MC3 as well as trade books for each unit.

#### **Participants will**

- Examine student work to make informed decisions about classroom instruction and assessment.
- Develop content literacy required to teach the GLCE/HSCEs.
- Implement units and lessons of instruction based on the MC3 and provide student work for examination.
- Understand and utilize best practices in the teaching of social studies.
- Share and discuss new learning, implementation, and applications with teachers across the state.
- Evaluate units for professional use and student learning.

Elementary Networks will review all units/lessons in the curriculum.

6<sup>th</sup>, 7<sup>th</sup>, and HS Networks will review selected units/lessons from the curriculum, but will receive all materials.

All the above classes will be held in the Distance Learning Room – MISD
