

SAT Khan Academy Schoology Course With Peer-to-Peer Tutoring

This **asynchronous** course will provide incoming juniors an opportunity to explore the tools available on the College Board Student Portal and the free SAT prep that is available through Khan Academy. The course will help each student link their accounts, so that Khan Academy will use their College Board test scores to develop a personalized plan. This plan will identify specific content each student should practice to be more successful on the SAT. Students will be able to work through the course at their own pace and schedule.

Students will want to complete the Schoology Coursework as soon as possible so they can spend more time practicing as many items as they can from their personalized plan in Khan Academy. **This will also allow students to take full advantage of virtual peer-to-peer tutoring.** The tutoring component is something NEW this summer and will provide students support as they work through their personalized plan in Khan Academy. Students will be able to attend scheduled tutoring sessions to receive support from peers who have already taken the SAT and are part of the Macomb Early College Program.

Students will gain insight on how to navigate SAT Khan Academy and College Board Student Portal so that they can continue using these tools, especially the free SAT prep, well after this course ends. The top three students from each session who complete the course and answers the most correct SAT practice items in Khan Academy will earn a \$10 gift card. The winners will be contacted by email a few days after each session closes.

Who: 2022-23 Junior Students

When: Choose one session from the options below. Students are expected to “join the course” in Schoology prior to the start of each session. There will be an optional meeting for those who need assistance troubleshooting and/or for those who can’t “join” the course. More information and directions on how to join a course in Schoology will be emailed to the address given at registration **two business days prior** to the start of class.
