09.12.24*	8:30 – 3:00 pm	103 A/B

**Possibly only on a needs basis*

Interim (Benchmark) Data Digs and Planning for Benchmark Reviews

Purpose Statement

The purpose of our time together during these ‘Data Digs’ days is to support your ability to:

- **identify** all data objects available to demonstrate growth and support your progress toward benchmark and end targets
 - Identify next steps and summer work
- **review, analyze** and **prepare** your quantitative and qualitative benchmark impact data that will be uploaded in MICIP and included during your Benchmark Review Meeting with OPD
 - Identify next steps and summer work
- **illustrate** your strategy implementation story, so you can make the case for the connection to impact data
 - Use implementation data and add progress notes to inform adjustment
- **assist** in developing language to use in your OPD presentation that directly relates to your goals, strategy, activities and benchmark progress
- **provide** MICIP platform guidance, so that data gets uploaded, and information is reflected

Who Should Attend: District Lead, District Supporters, Building Administrator, and Teacher Leaders familiar with strategy implementation.

Each district will have built in work time to prepare for the Benchmark Review Meeting. Implementation facilitators will be available to guide this work.

**Register at events.misd.net Course # 5633
Course Fee \$50 per person**
