## Michigan Department of Education Home Language Survey

Michigan welcomes families of all language backgrounds. Speaking more than one language is a valuable asset!

Please answer the two questions below. If your response to either question is a language other than English, the school district will give an assessment to see if your student may benefit from English language support.

- What language is used most at home?
- What language is used most by the student?

### Title III Immigrant Funding Identification Question

- Was the student born outside of the US or Puerto Rico?
  - If yes, when did the student enter the US schools?
