Michigan Activity Pass

The Michigan Activity Pass (MAP) program is sponsored by the Library Network and other organizations in Michigan. The pass allows Michigan residents access to over 300 state parks, campgrounds, museums and activities at no cost or at a discount.

The Michigan Activity Pass website can be accessed on a home computer or a computer in a local library. Enter the local ZIP code, address or library name. Select a specific location and choose “get pass” to check for availability. A list of participating locations will appear on the screen. There are a limited number of passes. If the preferred location is “sold out” another choice can be made.

A library card is required in order to print a valid Michigan Activity Pass for the site chosen. This can be done on a home printer or a printer in a local library. Only these original printouts are accepted.

Individuals can access the Michigan Activity Pass every 7 days. A Michigan Activity Pass expires one week from the day it is printed.
