

HEALTH SCIENCES

OCCUPATION AND TRAINING OUTLOOK

MACOMB COUNTY | JANUARY 2020

INTRODUCTION

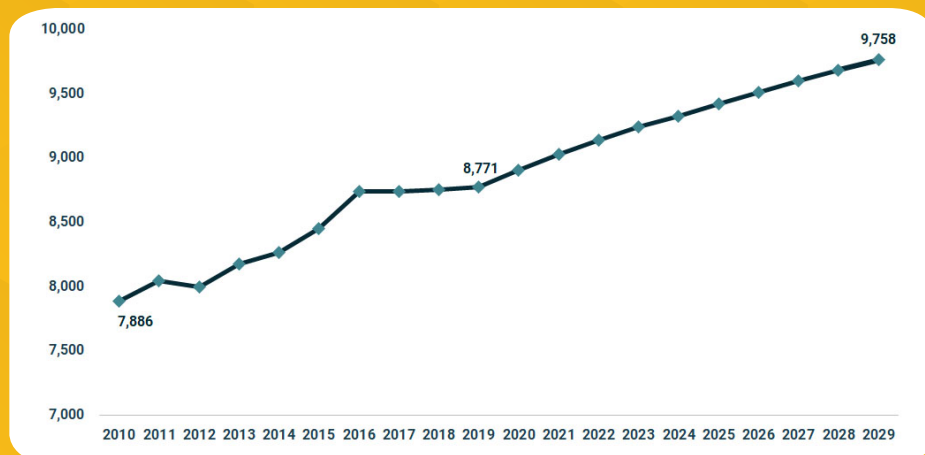

Health Sciences training offers careers in the large and interdisciplinary healthcare field. Workers with this foundational knowledge have flexibility in their career pathways to pursue specializations like nursing, radiography, or nuclear medicine, while entry level assistant roles can provide valuable experience. Occupations in health sciences may work in schools, hospitals, government agencies, in public health or administration, or for non-profit groups.
