

Partnership Districts

Partnership District Updates

- **Staffing Supports**
- **New District “Initial Meetings”**
- **Nine Month Check-up Meetings**

Staffing Supports

Information Sharing

- Special Information Session: A special learning and information session to support Partnership Districts focusing on Educator Recruitment, Staffing, and Residency Programs was held on October 23, 2017
- Attendees included: representatives from Michigan colleges/universities, Partnership Districts, education organization partners, our Regional Education Laboratories Midwest partners and MDE. The event was hosted by the MDE and the Regional Educational Laboratories Midwest

5

Staffing Supports

Staffing Support Opportunities

- Networking Sessions: Staffing is a standing agenda item at the regularly scheduled Partnership District Networking Sessions
- *Boots on the Ground Support*: A team of MDE staff made a “house call” to the Battle Creek School District to discuss staffing issues and forge a plan to provide ongoing support

6

Nine Month Check-in Meetings

The MDE is committed to helping ensure that the Partnership Districts are successful in meeting the goals and benchmarks identified in their Partnership Agreements

The nine (9) month check up is one of the ways we are using to accomplish this objective. Scheduling for the 9-month meeting check-ups is currently underway
