Counselor Workshops

Recently, Michigan counselors or other school personnel may have received an email about the College Board's Counselor Workshops, which traditionally take place in the fall. These workshops provide information about College Board assessments and programs from a national perspective. The Counselor Workshops for Michigan will be scheduled in September of 2018. For the past three years, the College Board Michigan field team has also presented Implementation Workshops on the same days as the Counselor Workshops to provide information about the Michigan administration of the SAT Suite of Assessments as a part of MME.

This year, the College Board Michigan field team will schedule the Implementation workshops later. This will allow us to provide the most up-to-date and comprehensive information on the Michigan administration, including the most accurate information on the implementation of the PSAT 8/9 in 8th grade in the spring of 2019.

- Middle school educators should not sign up for the national Counselor Workshops – rather they should attend the Implementation Workshops that will be held later in the fall.
- High school staff should be represented at both kinds of workshops. Registration links for the Implementation Workshops will be in Spotlight once the scheduling is completed.
