

Parent Dashboard for School Transparency

Navigation within the MISchoolData Portal

What is the Parent Dashboard for School Transparency?

School-level information for the public about Michigan public schools, and including charters.

How do you access the Dashboard?

There is no login required.

- Visit <http://www.mischooldata.org>
- Click on "Parent Dashboard" in the top-bar menu or using the button within the banner.

What is included in the Dashboard?

Within the "Parent Dashboard for School Transparency" you have several options:

- Dashboard Home
- State Overview
- Find a School
- Contact Us
- Help

Next, we will explore each of these elements.

Dashboard Home

The Dashboard Home includes an option to "Search for a School", or "Find a School by Map". Key enter your school district to locate drill down.

View a school's dashboard (New)

Search for a School

<input type="text" value="School, District, City, County name"/>	<input type="button" value="Search"/>
--	---------------------------------------

or Find a School by Map

Zoom into the map to find schools, cities and counties by clicking + to expand the map until you see school buildings.

REMINDER: The Parent Dashboard is for finding and reviewing information on a specific school (building) only. It is NOT a tool intended to provide information for a city, district, ISD, or region. District, ISD and some county information can be found by clicking individual topics on the mischooldata.org web page.

State Overview (ESSA)

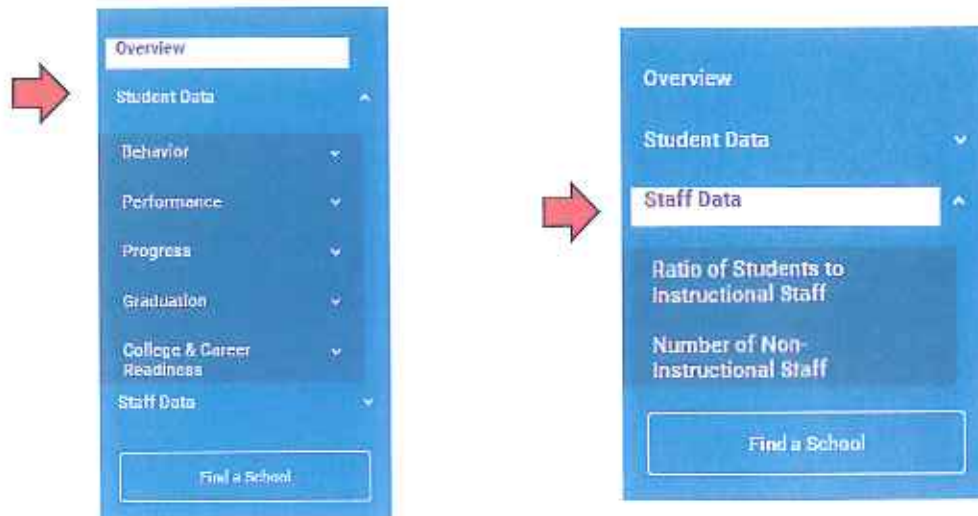

This section includes links within the MISchoolData portal to indicators of the following ESSA requirements:

ESSA Indicator	Links
Early Learning <i>Building Strong Foundational Skills in Learning During Early Education</i>	Early Childhood Child Count Early Childhood Impact on K-3 Absentecism Kindergarten Count Student Attendance Grades 3-5 Assessments
Engagement <i>Full Engagement in the Learning Environment Through Rich Academic Opportunities.</i>	College Enrollment by High School CTE Participation Dual Enrollment CTE Program Enrollment and Completion Report Expulsion Special Education Suspension Student Attendance
Effective Educators <i>Building a Strong Educator Workforce Through Quality of Effective Educators.</i>	Educator Effectiveness Equitable Distribution Report Teacher/Administrator Longevity Title II Reports
Equity <i>High Quality Education Through Equitable Provision of Services</i>	Expulsion Financial Reports Special Education Suspension Student Growth English Learner Assessment English Learner Student Growth
Exit Ready <i>Career/College Readiness After Completion of High School</i>	College Enrollment by High School College Progression College Readiness (SAT and Historical ACT) College Remedial Coursework CTE Participation CTE Program Enrollment and Completion Report Graduation/Dropout High School Assessments English Learner Assessment English Learner Student Growth
Efficacy <i>Evaluating How Reform Implementation Affects Student Outcomes</i>	Student Growth

Find a School

Use the search area to key enter your school, district, or county name.

The data sets include and Overview of *Student Data* and *Staff Data*:

The Dashboard includes **Contact Information**, including:

- Address
- Head of School
- Superintendent
- District
- Phone
- Website
- Intermediate School District

The Dashboard includes an **Overview of Key Performance Indicators**, including:

- **Performance Summary** (Percent of student proficient in all subjects on state tests)
- **Progress Summary** (Percent of students who are making progress towards proficiency or increasing their proficiency in all subjects on the state tests)
- **Graduation Rate** (Percent of students graduating from high school in four years)
- **Advanced Coursework** (Percent of students in grades 11 and 12 enrolling and passing in advanced coursework)
- **Postsecondary Enrollment** (Percent of student who enrolled in college after high school)
- **On-Track Attendance** (Percent of students who have on-track attendance)
- **English Learner Progress** (Percent of English Learner (EL) students who are showing progress on the WIDA test)
- **Assessment Participation** (The percent of students who were enrolled and took a state test. State tests included in this measure are the SAR, M-STEP, or MI-Access. Higher participation allows for a more complete picture of a school's performance on state tests).

MISchoolData: Parent Dashboard Dig

The *Parent Dashboard for School Transparency* is school-level information for the public about Michigan public schools, and including charters. To access the *Parent Dashboard*, visit <http://www.mischooldata.org>, then click on "Parent Dashboard" in the top bar menu, or by using the "View the Parent Dashboard" button.

1. Dashboard Overview

Locate the Dashboard elements and briefly describe what you might find in each:

Parent Dashboard Elements	Contents: What will you find?
Dashboard Home	
State Overview	
Find a School	
Contact Us	
Help	

2. Dashboard Home

- Use the **Search** box to key enter a school
- Next, use the **Map** feature to locate and explore your school or others in the geographic area

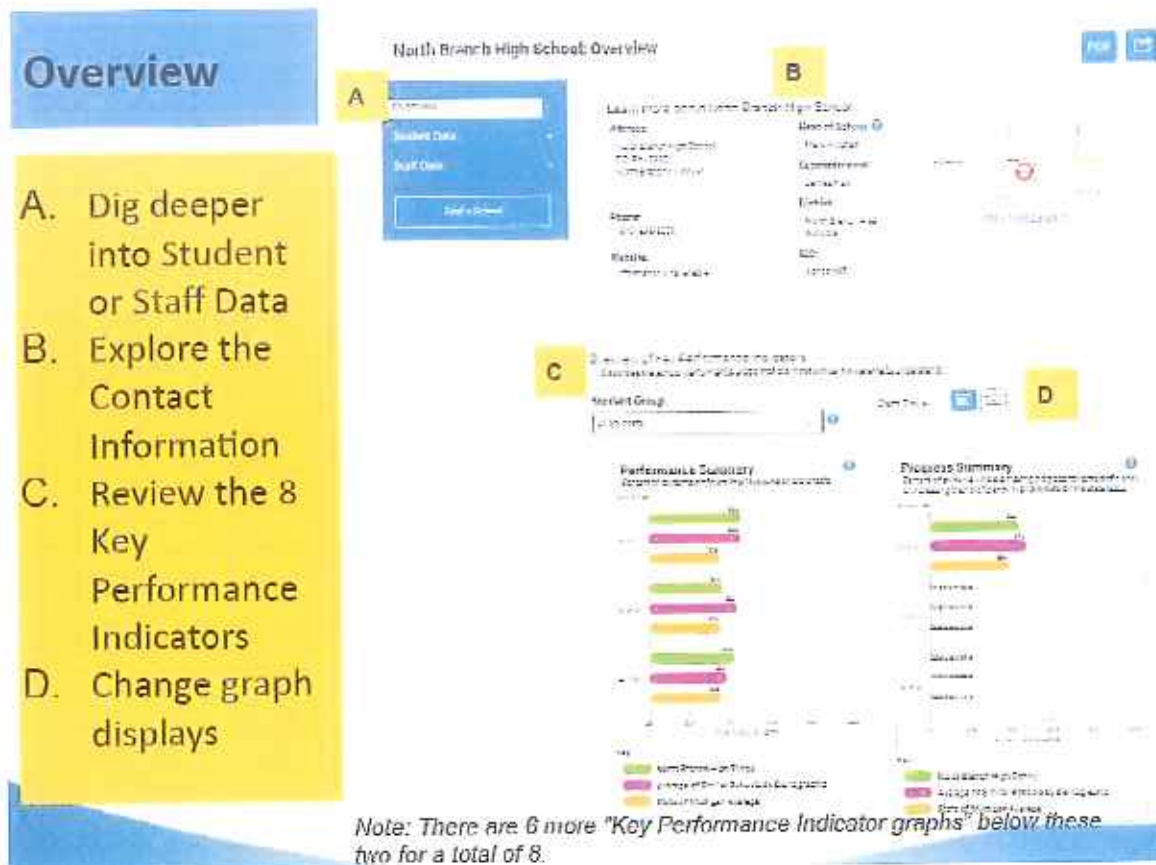

Note: the "Graduation Cap" serves as a pin for school locations.

3. Results

Locate the four elements of the results for your school.

4. Overview: Student Data and Staff Data

Explore the drop down menu options for both *Student Data* and *Staff Data*. Choose one query to report on.

After running the query (e.g. *Student Data, Progress*), what data were you able to locate? What does the data tell you?

5. Key Performance Indicators

Review each KPI and briefly describe what you find/see.

Review the Key Performance Indicators and record your findings.	
Performance Summary	Progress Summary
Graduation Rate	Advanced Coursework
Postsecondary Enrollment	On-Track Attendance
English Learner Progress	Assessment Participation

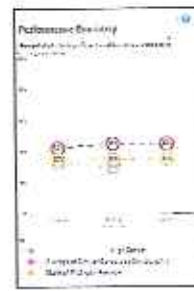

6. Graphs

Use the **Graph Display** to change the graph type.

Graph Display:

Sample: Bar graph (L) and X-Y Scatter Plot (R)

7. Graph Legends

Graph data are displayed:

- By School
- By Average of Similar Schools by Demographic
- By State of Michigan Average

Click on a bar or plot within the graph to dig deeper into the data. Choose to sort **by Student Demographics** or **by Closest 30 Schools**.

How are each of the following calculated? (Hint: use the Help (??))

Student Demographics (Hint: there are four characteristics).	Closest 30 Schools

8. State Overview (ESSA)

Choose **one** links from each indicator within the State Overview. Briefly describe what information is provided in the inquiry:

ESSA Indicator	Links (Circle One)	Description of Selection
Early Learning <i>Building Strong Foundational Skills in Learning During Early Education</i>	<ul style="list-style-type: none"> • Early Childhood Child Count • Early Childhood Impact on K-3 Absenteeism • Kindergarten Count • Student Attendance • Grades 3-5 Assessments 	
Engagement <i>Full Engagement in the Learning Environment Through Rich Academic Opportunities.</i>	<ul style="list-style-type: none"> • College Enrollment by High School • CTE Participation • Dual Enrollment • CTE Program Enrollment and Completion Report • Expulsion • Special Education Suspension • Student Attendance 	
Effective Educators <i>Building a Strong Educator Workforce Through Quality of Effective Educators.</i>	<ul style="list-style-type: none"> • Educator Effectiveness • Equitable Distribution Report • Teacher/Administrator Longevity • Title II Reports 	
Equity <i>High Quality Education Through Equitable Provision of Services</i>	<ul style="list-style-type: none"> • Expulsion • Financial Reports • Special Education Suspension • Student Growth • English Learner Assessment • English Learner Student Growth 	

Exit Ready <i>Career/College Readiness After Completion of High School</i>	<ul style="list-style-type: none"> • College Enrollment by High School • College Progression • College Readiness (SAT and Historical ACT) • College Remedial Coursework • CTE Participation • CTE Program Enrollment and Completion Report • Graduation/Dropout • High School Assessments • English Learner Assessment • English Learner Student Growth 	
Efficacy <i>Evaluating How Reform Implementation Affects Student Outcomes</i>	<ul style="list-style-type: none"> • Student Growth 	

9. Find a School
