Macomb Intermediate School District will update this COVID-19 Dashboard graphic each school day to keep our community informed.

When MISD officials receive notification of a positive case, they connect with the Macomb County Health Department (MCHD). MCHD and district administrators do contact tracing and directly notify those in close contact with the person. Due to regulations, including the Health Insurance Portability and Accountability Act (HIPAA) and Family Educational Rights and Privacy Act (FERPA), no personal information will be given.

Cumulative data is from the first day of in-person school: September 16, 2020.
