Macomb Intermediate School District
Interactive Distance Learning for 2019 - 2020 School Year

**Gadget Works: Forces & Motion**

Hosted by COSI "Center of Science and Industry" Gadget Works will be offered on three session days. One hour programs with 3 classes each session.

Registration for these programs are open from September 6th until November 21, 2018, after this date you will not be able to register for these programs. You can register for this at [Registration Link for Distance Learning Programs](https://www.misd.net/dl/). Please notice that the grade levels are now split up. The 3rd graders could not keep up with the 4th & 5th grades so a new friendlier 3rd grade Forces & Motion program will be available this coming year. We hope this will work out for all teachers and students.

We are also introducing an MISD evaluation form for Gadget Works. COSI and the MISD really hope you will take the time to evaluate the program and let us know of how the program worked for the good or bad for your class. This will be emailed to you after the program is over with.

**New session times this year are:**

Session 1 9:30 am - 10:30 am
Session 2 11:00 am – 12:00 pm
Session 3 1:30 pm – 2:30 pm

**On the following dates:**

- November 25, 2019 - 3rd grade only
- December 11, 2019 - 4th & 5th grade only
- January 13, 2020 - 3rd grade only
- January 22, 2020 - 4th & 5th grade only
- February 4, 2020 - 3rd grade only
- February 25, 2020 - 4th & 5th grade only
- March 4, 2020 - 3rd grade only
- March 17, 2020 - 4th & 5th grade only
