

**Maple Lane Elementary School  
Annual Education Report (AER)**

April 20, 2018

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2016-17 educational progress for Maple Lane Elementary School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Jack Dodd for assistance.

The AER is available for you to review electronically by visiting the following web site <https://goo.gl/EiVNCK>, or you may review a copy in the main office at your child's school.

For the 2016-17 school year, schools were identified using new definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that has at least one underperforming student subgroup. An Additional Targeted Support (ATS) school is one that has three or more underperforming student subgroups. A Comprehensive Support and Improvement (CSI) school is one whose performance is in the lowest 5% of all schools in the state. Some schools are not identified with any of these labels. In these cases, no label is given.

Our school has not been given one of these labels. Maple Lane continues to focus on school improvement goals, content specific professional development activities and the use of additional assessment tools. In order to meet individual social-emotional needs of our students, specific instructional strategies are utilized across all academic areas. Ongoing professional development in the core content areas is focused on incorporating the educational supports necessary to improve student learning and provide students with an opportunity for academic success. Students benefit from individualized instruction and direct modeling of desired behaviors. Intensive practice in social skills training assists students' in reaching their potential in a supportive environment. Students also benefit from a Positive Behavior Support Program building-wide.

State law requires that we also report additional information.

**Process for Assigning Pupils to School:**

Maple Lane Elementary School provides educational services for students in Kindergarten through 5<sup>th</sup> grade who are referred to our program from one of the 21 local school districts or public school academies in Macomb County. Students who are identified on an IEP as having significant difficulties regulating behavior in their resident district and who demonstrate the need for a more structured, individualized program to meet their educational/emotional needs are referred to Maple Lane Elementary School.

## **Status of School Improvement Plan**

During the 2016-17 school year we addressed the following School Improvement goals:

All students will be proficient in mathematics.

All students will be proficient in reading.

All students will be proficient writers.

All students at Maple Lane Elementary will learn and practice coping strategies to keep themselves and others safe.

Strategies to increase student achievement include:

1. Data collection and analysis using NWEA, Easy CBM and writing rubrics in teacher cohorts and Professional Develop sessions.
2. Professional development in the areas of English Language Arts Essential Elements, writer's workshop, mathematics and utilization of technology.
3. Zones of Regulation curriculum training and implementation school wide.
4. Staff training and modeling using Restorative Practices.
5. Road to Reading strategy implemented in classes for students needing Tier 3 remediation.
6. Training in Positive Behavior Support Programs and implementation of a Maple Lane Positive Behavior Support committee.
7. Building-wide Positive Behavior Support Plan to serve as a motivator for students.

## **Description of Program**

Maple Lane provides an academic and behavioral program for elementary students with severe emotional impairments or significant behavioral challenges in Macomb County. As of April 2018 we had 88 students enrolled. Our average daily attendance is 90%.

## **Access a Copy of Core Curriculum**

At Maple Lane we utilize the Common Core State Standards which can be viewed at:

To read more about our academic program, please refer to p. 29 of our Student/Parent Handbook: <http://www.misd.net/maplelane/files/MapleLaneStudentParentHandbook.pdf>

## **Student Achievement Results for any Local Competency Tests**

Students at Maple Lane take the NWEA assessment in the areas of Reading, Language and Mathematics three times per year: in the fall, in the winter and in the spring. They also take the Easy CBM assessment in the area of Mathematics quarterly. Results are analyzed regularly to ensure students are progressing throughout the year. Based on analysis of data, students continue to show specified growth across Reading, Language and Mathematics. Teachers meet frequently to analyze NWEA and Easy CBM results. Instructional strategies are developed and implemented building-wide at frequent Professional Development sessions.

## **Parent Participation at Conferences and IEPs:**

Over the past two years we've had increased participation in Parent-Teacher Conferences and/or Individual Education Plan Team (IEPT) meetings. Parent attendance at Parent-Teacher Conferences the last two years was 100% based on in-person and phone participation. Our IEPs were also well-attended; those parents who were unable to attend in person participated in the IEPT meeting over the phone, getting our attendance and participation level to 100%.

In addition to parent conferences and IEPs, we also host an Open House in the beginning of the year. This provides families an opportunity to meet with Maple Lane staff and community agencies who share available resources. In March of each year, we sponsor a Family Night for parents, grandparents, guardians and sibling for games, crafts, a quiet reading room and a raffle. A Parent Support Group is also offered in partnership with our Rockwell Middle School Program

and our Neil Reid High School Program. Held quarterly, parents are encouraged to attend a meeting with speakers from outside agencies to provide information on additional supports.

**From the Principal:**

Our Maple Lane mission is to educate a diverse population of students in a safe and positive learning environment. Administrators, teachers, parents and students work together as partners in learning to actively engage, motivate and provide the skills necessary to become lifelong learners, as well as positive contributing members of the community. Maple Lane Elementary School is dedicated to creating a nurturing, supportive, and safe environment where all students can learn and be successful. Families and community involvement are crucial to this process. Please contact the school if you have any questions regarding this report.

Sincerely,

Jack Dodd, Ed.S.  
Principal
