Non-Billable	Consultation – Use for logging students with consult only services listed in the Program & Services section of their IEP Communication – Use for logging phone or email contact with students/parent/guardian. Other – use to log service that does not qualify as a Medicaid billable services. Intern – Used by student intern to record direct service that will not be billed out to Medicaid. Group size more than 8 - Direct service to students in groups larger than 8. No School Day – Use to document snow days or other no school day Provider Absent or Student Absent Provider not Available or Student not Available	N/A

SERVICE DETAIL (DAILY):

1. Describe what actually occurred on the date of service. Ensure that the Service Detail Note (daily note) is sufficiently detailed to allow reconstruction of what transpired for each service billed.
2. Indicate the result of the therapy session (student’s response).

Example of Service Note Detail: Group Therapy (90853) – Group focused on starting “My Calm Down Book” and identified various facial expressions to determine the mood. Student did a self-portrait of his face when angry, then lost focus and was disruptive and disrespectful to his peers.

MONTHLY SUMMARY (PROGRESS) NOTES:

1. Summarize (evaluate) the student’s monthly progress toward your medical/health related goal.
2. Include any changes in medical/mental status and changes in treatment with rationale for change.
3. Service Detail (Daily) Notes and Monthly (Progress) Summary Notes must not match.

Example of Summary Note: Student is making limited progress with improving his ability to follow directions and interact with peers appropriately. Will continue to address his goals toward appropriate peer behavior.

RECORD KEEPING: Keep copies of all supporting documentation related to this service for a period of 8 years (FY+7) regardless of change in ownership or termination of participation in Medicaid.

TELEPRACTICE: GT Modifier will follow standard CPT code for services provided via simultaneous audio and video virtual contact with student/family session through a HIPAA compliance virtual platform. Therapist will indicate in the provider note the virtual platform that was used.

TELEPRACTICE PHONE ONLY: Phone only service is being allowed only during the COVID-19 Pandemic! GT Modifier will follow standard CPT code for services provided as phone only contact. **Provider notes should indicate that service was provided over the phone.**
