

What's going on in the MI School Data portal?
Join the TtT Network and stay connected!

MI School Data Train-the-Trainer

Professional Development resources, training, sharing, and networking.

FREE
1-Day Workshop

Designed for providers of professional development focused on data and school improvement. ISD/RESA/RESO or local (LEA)
Curriculum leaders welcome!

- Join the growing **NETWORK** of Michigan educators who provide training and support for use of the MI School Data portal.
- Gain **FREE** access to materials for training in your service area around the portal on topics such as Career and College Readiness, Career & Technical Education, Student Assessments including M-STEP, MI-Access, WIDA, school improvement connections, PK-20 Data Sets, public and legislative inquiry, Early Childhood and more!
- Get frequent **UPDATES** about new materials and portal improvements or post questions to our listserv.
- Share in a wealth of training **RESOURCES** (presentations, worksheets/data digs, agendas, videos, and more) that walk participants through 1 hour, half day, or full day trainings.
- Gain access to free **WEBINARS AND ONLINE CONTENT** for local learning management systems or trainings.
- Be the first to use **NEW RESOURCES** such as *Annual Ed Report*, *School Index*, *Parent Dashboard*, *Connecting Early Childhood to K-3*, and more!
