Overtime work authorized by the Employer or its designate shall be paid at the rate of time and one-half for work in excess of eight (8) hours in a twenty four (24) hour time period, forty (40) hours per week, and in case of emergency, at time other than the normally scheduled work period. Overtime shall not be pyramided.

Effective July 1, 2013, Overtime work authorized by the Employer or its designate shall be paid at the rate of time and one-half for work in excess of forty (40) hours per week, and in case of emergency, at time other than the normally scheduled work period. Overtime shall not be pyramided.

- B. When overtime work is necessary it shall be offered on a rotating seniority building basis. Other than during emergencies or when work has to be done as determined by the Employer, overtime work shall be voluntary except that if all employees in the building refuse, the Employer shall offer the work to the top available man on a district wide volunteer rotating seniority list. Offers of work refused shall be counted as though worked. Employee is not eligible for overtime assignment during a pay period in which a dock day has occurred.
- C. The Union recognizes the need for job continuity and that certain work requires specialized skills. In these cases, the preceding paragraph shall not apply. Employees in the bargaining unit who possess specialized skills and are interested in working overtime on these types of projects shall indicate in writing to the Supervisor of Building and Grounds (1) that they are interested in working overtime and, (2) list the skills in which they feel they have expertise. When overtime is available requiring these skills, the Employer shall then distribute overtime equally among those individuals who have complied with the foregoing.
- D. Employees whose regular days off are Saturday and Sunday who work on either of these days shall be paid at time and one-half (1-1/2) for hours worked.
- E. If an employee is scheduled by the Employer to work on a Saturday, Sunday or holiday, which is not a part of his regularly scheduled shift, he shall receive a minimum of two (2) hours compensation at the rate of time and one-half (1-1/2).

- F. In-services, workshops or training sessions which are mandatory, for which an employee volunteers, are compensable at straight time.

Building checks are expressly excluded from this section and are provided for in Section 4, "Building Checks".

Section 4: Building Checks

- A. Building checks performed by Monday through Friday employees on Saturdays, Sundays or holidays shall be paid at the rate of time and one-half (1-1/2) provided such checks shall be limited to one (1) hour and are to be performed by employees designated by management; provided further, that in the event repairs are required to be effected of a condition found during such building check, the time actually expended thereon shall be paid at the rate of time and one-half (1-1/2) upon documentation.
- B. Building checks performed by an employee whose regularly scheduled work week includes Saturday and Sunday shall be compensated at straight time pay except when such building checks are performed on holidays.

Section 5: Emergency Call-In Time

If an employee is called in by the Employer upon an emergency basis such employee shall receive a minimum of three (3) hours compensation at the rate of time and one-half (1-1/2) except for alarm checks in which case such employee shall receive a minimum of two (2) hours compensation at the rate of time and one-half (1-1/2).

Section 6: Absentee Call-In Time

Each location shall issue a prioritized list of names with telephone numbers whom employees shall contact in case of absence.

Section 7: Snow Days

- A. Operators, Mechanics and Mechanic Helpers will be expected to report on snow days unless notified to the contrary by the Employer.
- B. Starting times will not be strictly enforced on snow days. Employees will be expected to report at the earliest time they can safely do so.

ARTICLE VII

- C. The length of the work day for operators during extreme weather conditions will not be rigidly held to the eight (8) hours. When the necessary work is completed to the satisfaction of the employee's immediate supervisor, that supervisor will have the authority to permit early departure. It will be the supervisor's responsibility to establish the proper ways and means of implementing this rule.

In connection with this it should be anticipated and acknowledged that conditions will vary from one location to another and consequently so will the hours worked by individual employees.

- D. Employees who do not report on snow days will not be paid.
- E. Sick days and personal business days are not to be used to avoid reporting due to extreme weather conditions. However, the normal policies for sick days and personal business days usage are not altered one way or the other by weather conditions.
- F. Employees who report on snow days will receive a full day's pay regardless of when they are dismissed.

Section 8: Lunch Period

An employee shall be entitled to a duty free lunch period of one-half (1/2) hour. The time of an employee's lunch period shall be established by the Employer's designate to guarantee continued service to our public.

Section 9: Relief Time

An employee shall be provided one fifteen (15) minute relief period prior to lunch and one after lunch. The time of an employee's relief period shall be established by the Employer's designate. A schedule of such lunch and relief time shall be posted on the bulletin board in the staff lounge.

Section 10: Holidays

- A. The Board will grant all employees the following holidays:

Memorial Day	First Working Day after Christmas
4th of July	2 additional days between Christmas and New Years
Labor Day	New Years
Day before Thanksgiving	Day before New Years
Thanksgiving	New Years Day
Day after Thanksgiving	Friday before Easter
Christmas Eve	
Christmas Day	

ARTICLE VII

- B. Should a holiday fall on Sunday, Monday will be considered the holiday and if the holiday falls on Saturday, Friday will be considered the holiday.
- C. Deviations may be made by mutual consent of the Employer and employee.
- D. Work performed on a holiday shall be paid at time and one-half (1-1/2) which shall be over and above compensation an employee normally receives for such holiday.
- E.
 - 1. To be eligible for holiday pay an employee must have worked the last scheduled work day preceding and the first scheduled work day following such holiday. If a supervisor approves annual leave, etc. for an employee, that time shall not be considered to be scheduled. The last scheduled work day shall be the day preceding (or following) the approved time off.
 - 2. The intent here is not to penalize employees arbitrarily. An employee who can cover an absence with a doctor's letter, or who convinces a supervisor of the validity and the necessity for absence is not to be docked for the holiday.
 - 3. It is understood that in some instances the holiday in question can comprise two or more days.

Section 11: Calendar

The Employer reserves the right to reduce three (3) work/paid days per year beginning with the 2012-2013 school year.

Note: Management and Union will meet prior to the beginning of the school year to determine reduction of days.

Section 12: Evaluation

- A. The evaluation and development of an employee shall be a continuing process. Evaluation reports shall be completed at three (3) months and six (6) months during the first year of employment. Thereafter evaluations shall be completed during even numbered calendar years.
- B. The Employer's designate shall execute an evaluation form and shall conduct an interview with the employee to discuss the evaluation and compare it with prior evaluations. The employee may submit a written response to the evaluation with a copy to be submitted to the Employer's designate. A copy of the evaluation and the employee's response shall be placed in the employee's personnel file. The employee shall receive a copy. Records of the reprimands and disciplinary actions shall be accorded the same treatment.

Section 13: Personnel File

- A. An employee shall be permitted to inspect and copy any material in his personnel file with the exception of credentials and references normally sought at the time of employment. The employee shall make an appointment with the Personnel Department. A member of the Personnel Department shall be present when the employee inspects said file. The employee may be accompanied by a member of the Union if desired.

ARTICLE VII

- B. The employee shall initial all evaluation reports acknowledging he has read it prior to insertion of such material in the personnel file and may submit a response which shall be kept in said file.
- C. Test materials and results showing test scores must be kept in each employee's personnel file and shall be available to the employee for review. All reprimands shall be removed after three (3) years.

Section 14: Automobile Allowance

Employees who use privately owned automobiles in pursuit of their duties shall be reimbursed at the rate established by the Board for the contract employees providing that such use shall be previously authorized in writing by the Employer's designate.

Section 15: Tool Allowance

Bus mechanics will receive an annual tool allowance in the amount of \$3,500 payable on the first pay ending in December. This amount is to be applied towards insurance or purchase of new tools at the discretion of the mechanics.

Section 16: Uniforms

Uniform allowance for Building/Shift Operators is \$500 per year; and Mechanic's boots/jacket allowance is \$400 per year with the purchase order to remain open until May 31st of each calendar year to allow for "new style" options.

Note: Carhart outerwear is the preferred brand/subject to discretion of Management.

Section 17: Supervisor - Restriction

There shall be no restriction upon the performance of bargaining unit work by a supervisor so long as such performance does not result in the termination or reduction of the regular daily work period of bargaining unit members.

Section 18: First Aid Kit

A First Aid Kit shall be provided for employee usage in each building.

ARTICLE VIII

PROMOTIONS, VACANCIES, LAYOFF, RECALL AND TRANSFERS

Section 1: Promotions

- A. The promotion of an employee from Shift Operator to Building Operator will be accompanied by an immediate increment. Moreover, such employee will be given credit for all increments received during the time he/she was a Shift Operator and will receive the same number of increments as a Building Operator.

EXAMPLE

A Shift Operator who has two (2) year's seniority and is at the two (2) year increment level would be placed at the two (2) year increment level of a Building Operator, and given an additional increment which would place him/her at the thirty (30) month increment level.

- B. Promotions to a higher classification will be based on qualifications and classification seniority in the next lower or succeeding lower classification. It shall be the policy of the Employer to post all job openings with the name of the school and requirements for the job on the bulletin board. The employees must sign for promotions with the Employer's designate thereby signifying their interest in the promotion. Qualifications being equal, the greater seniority employee will receive the promotion.
- C. If a qualified seniority employee bids on the job he/she shall be given preference over a non-bargaining unit employee. However, for promotions to Building Operator positions, if a Shift Operator has not pre-qualified by completing an inservice course designated by the Employer, this paragraph shall not apply.
- D. An employee with permanent status promoted to a higher classification shall have a period of up to ninety (90) working days trial in the new position to prove he/she has the qualifications, performance and ability to handle the requirements of the position. If during this period after thirty (30) calendar days he/she is not capable of fulfilling the requirements he/she may be demoted to his/her previous classification without prejudice as though he/she had continuously served in such previous classification. He/she shall be restored to his/her former position. In the event an employee is demoted (or voluntarily reverts) during this period, the Employer shall not be required to repost the position, but may utilize the original list of applicants.
- E. The employee shall have the right during the trial period to revert to his/her former classification if he/she desires. An employee who had reverted to his/her previous classification shall receive the rate of pay of the lower classification and shall not be eligible to bid on another promotion for one (1) calendar year except for a newly created position that is a promotional opportunity or by mutual agreement of the parties.

Section 2: Vacancies

- A. When any vacancy in a new job position shall occur the Board shall post written notice of such vacancy in the employee's lounge. No vacancy shall be filled except on a temporary basis until such vacancy shall have been posted for at least five (5) days.
- B. Except for unusual circumstances or an employee on sick leave, posted positions will be filled within thirty (30) working days after the end of the posting period. As a consideration to those employees who apply for any posted position a written notice shall be given to all who apply for said posted position as to the disposition of that vacancy.
- C. Any employee may apply for such new position. In filling the vacancy the Board agrees to give weight to the background, attainments and skills of all applicants, the length of time each has been in the employ of the MISD and other relevant factors.
- D. The applicant must sign for the new position with the Employer's designate, thereby signifying his/her interest in the vacated position. Qualifications, performance and ability being equal, the seniority of the employee will then receive first consideration.

Footnote: On several occasions the Employer has moved entire populations of teachers, aides, students, shift operators, and building operators from one building site to another or to a newly acquired building site.

Examples are: Robinwood to Maple Lane, Alwood to Robinwood to Price Drive to Neil Reid, Sherwood to Rockwell, Kern to Lutz, etc. In such situations it has never been considered that any vacancy exists or that any postings are in order. However, where a newly acquired building site does not fall into that category, jobs will be posted per Section 2

Section 3: Lateral Transfers

- A. If a transfer is desired from one shift to another, and/or from one building to another, within the classification of Shift Operator, or within the classifications of Building Operator A or B or C, the employee shall make a written transfer request indicating up to four positions in order of preference on a form to be provided. A transfer request may be initiated at any time. It shall be filed with the Personnel Office where a master list will be maintained.
- B. A transfer request shall remain active until April 30th. Beginning May 1st, new applications will be received for the coming fiscal year's transfer list.
- C. In the event of multiple transfer requests from one employee, only the request with the latest date shall be considered.
- D. When two or more employees apply for the same transfer, seniority shall prevail unless qualifications can reasonably be defended as determinative.

ARTICLE VIII

- E. An employee shall be ineligible to transfer during:
 - 1. The probationary period.
 - 2. The period between acceptance of a transfer and placement on the job.
 - 3. The one calendar year period following second placement on a job.
 - 4. One calendar year following the second refusal of a transfer offer.
- F. When the Personnel Office has received (and date stamped) notification that a vacancy exists through a requisition for personnel, subsequent incoming transfer requests will not be considered for that position or secondary openings caused by filling the primary position.
- G. An employee shall have three (3) working days to accept or reject a transfer offer in writing to be delivered to the Personnel Office. Failure shall be regarded as refusal of the offer. Written acceptance shall be binding.
- H. Placement shall be effected on the Monday following completion of the procedure.
- I. It is the employee's responsibility to check with Personnel to see that his/her transfer request has been received.
- J. An employee may not bid on a residual job posting (the vacancy left when the transfer sequence has been completed).

Section 4: Layoff

- A. Layoff means a reduction of the working force due to a decrease of work or the return of an employee from an authorized leave of absence. If it becomes necessary for a layoff the following procedure will be mandatory. Basic Function Operator shall be laid off first. Probationary employees shall be laid off next. Seniority employees will be laid off within classification according to seniority as defined in Article VIII, Section 1.
- B. An employee reduced or laid off from a classification shall have the right to displace the least senior employee in the next lower or succeeding lower classification provided he/she has greater seniority. Mechanics may displace the least senior Mechanic Helper. However, neither Building Operators nor Shift Operators shall displace Mechanics or Mechanic Helpers, or vice versa.

Section 5: Recall

- A. When the work force in a classification is increased after a reduction, employees will be recalled in the reverse order from which they were bumped down or laid off without loss of seniority.
- B. Notice of the recall shall be sent to the employee at his/her last known address by registered or certified mail. If an employee fails to report to work within ten (10) days from date of receipt of notice of recall, his/her employment shall be considered terminated. Extension may be granted by the Employer in proper cases.
- C. Recall rights shall extend for two (2) years only or for a length of time equal to the bargaining unit's seniority, whichever is greater.

Section 6: Transfers

- A. If an employee is transferred to a classification under the Employer not included in the unit and is thereafter transferred again to a classification within the unit he/she shall not have accumulated seniority while working in the classification to which he/she was transferred.
- B. Employees transferred under the above circumstances shall retain all rights accrued for the purpose of any benefits provided for in this Agreement.
- C. Employees transferred into the bargaining unit from another MISD bargaining unit for the first time, shall serve a ninety (90) day probationary period.

ARTICLE IX

INSURANCE

Section 1: Hospital/Medical Insurance

- A. The Employer agrees to furnish to all employees the following insurance protection:

NOTE: If calculation for health care expenditure does not conform to the requirements of the Michigan Department of Treasury or other department of the state with legal authority, then Administration will meet with Union Leadership to consult regarding implementation of cost containment in compliance with law.

January 1, 2024 – Addition of Hearing Aid Coverage (specifics with regards to hearing aid coverage to be provided by Blue Cross Blue Shield).

- B. Operators and Mechanics who elect not to select health insurance benefits will receive \$150.00 per month. It is understood that for those members whose spouse is also employed by the MISD, that this option is not available because no savings are realized by the bargaining union member dropping coverage.
- C. Employees hired after January 1, 2008 shall also be subject to a thirty (30) days waiting period for medical/health insurance.

Section 2: Prohibition of Medical Coverage

It is further agreed that in the event the employee's spouse is provided with comparable medical and hospital insurance coverage by his/her employer then Macomb Intermediate School District shall be relieved of its obligation agreement hereto attached, provided that at such time as employee's spouse shall have such coverage terminated for reason of layoff, discharge, resignation or death, Macomb Intermediate School District shall then reinstate the above medical and hospital coverage for its employee and provided further that in the event the employee shall refuse to execute the above referred to agreement or shall violate the terms of the agreement then Macomb Intermediate School District shall be relieved of its obligations to the employee during violation period and be entitled to reimbursement by employee of any premium amounts paid by Macomb Intermediate School District on behalf of the employee during the period that employee's spouse was covered by comparable medical and hospital insurance coverage and if such reimbursement is not made by employee on demand therefore, Macomb Intermediate School District shall have the right to withhold such premium amounts from the compensation of employee until full reimbursement has taken place.

Whereas, Article XI, Insurance, Section 2 of the Collective Bargaining Agreement entered into between the Board of Education of the Macomb Intermediate School District and AFSCME 25, Local 2598 Custodial, sets forth certain provisions to avoid a duplication of medical/hospital insurance coverage by Macomb Intermediate School District and a comparable coverage accorded the spouse of the employee of Macomb Intermediate School District and whereas the undersigned is a member of the Collective Bargaining Unit represented by AFSCME, Council 25, Local 2598 Custodial, and executes this agreement pursuant to the provisions of the Collective Bargaining Agreement above set forth.

Now, therefore, it is mutually agreed by and between the undersigned employee and the Macomb Intermediate School District as follows:

- A. That the undersigned employee hereby represents that his/her spouse (does) (does not) have medical and hospital insurance coverage comparable to that provided by Macomb Intermediate School District.
- B. That if paragraph "A" above is answered in the affirmative, the undersigned employee hereby authorizes Macomb Intermediate School District to terminate his/her insurance coverage.
- C. That employee hereby agrees to promptly notify Macomb Intermediate School District of any change in the insurance coverage of employee's spouse and in the event such change consists of a termination of the coverage accorded employee's spouse, for any reason, then upon receipt of such notification Macomb Intermediate School District shall reinstate the employee to the medical/hospital insurance coverage provided for in the collective bargaining agreement.
- D. It is further mutually agreed and understood that in the event the undersigned employee shall violate the terms of this agreement then Macomb Intermediate School District shall be relieved of the obligation to provide employee with medical/hospital insurance coverage during the violation period and shall be entitled to reimbursement by employee of any premium amounts paid by Macomb Intermediate School District on behalf of the employees during the period that employee's spouse was covered by comparable medical and hospital insurance coverage and if such reimbursement is not made by employee on demand, therefore, Macomb Intermediate School District shall have the right to withhold such premium amounts from the compensation of employee until full reimbursement has taken place.
