## November 2022

### Notes from the Principal

It's November and we have so much to be grateful for at Glen Peters.

Thank you to all those who participated in our fun Halloween Spirit week! It was wonderful to see so many students and staff dressed up and participating! Classrooms had so much fun decorating their classroom pumpkins. We are grateful to Ray Weigand's nursery for donating pumpkins and to the parent group for coordinating and making it all possible. Thank you to the parent group for hosting another successful Trunk or Treat event. The weather was beautiful and fun was had by all!

This month we kicked off our in person PBIS assemblies by honoring our September, October and November students of the month! Its wonderful to celebrate all the successes of our students and enjoy a visit from Peter Panther.

Election Day is right around the corner. Reminder to read all the way to the end of your ballot for information on the Special Education Bond. Passage of this bond will support building renovations and update facilities at Glen Peters and throughout the MISD.

Hopeful that the sunshine stays through the weekend and everyone enjoys an extra hour of sleep on Sunday!

#### A word from the Nurse:

Did you know that tooth decay is the most common childhood disease? It is 5 times more common than Asthma! Dentist R Us is coming to Peters on November 17<sup>th</sup> to provide dental services to our students. Each student that is signed up will receive an oral exam and teeth cleaning as well as educational materials to take home for parents. The forms will be sent home with students. Please be sure to return the form if you are interested in having your student participate.

#### Positive Behavior Interventions and Supports Team Notes:

For the month of November we will be focusing on anger. When we have big feelings like anger here is one way to manage those feelings- **Remember to breathe.**

**RED**

**HIGH ENERGY**

- Anger
- Mad • Furious

Tools I can use:

- Count to 10
- Take deep breaths
- Walk away
- Take a break

#### HOW TO CALM YOUR ANGRY SPOT

Count the SPOTS from one to four. TAP, TAP, TAP, and TAP once more.

Now fill your lungs with peaceful air, and coat your spots with love and care.

# Spotlight Classrooms

## Ms. Sam Pytleski

Hello from room 103! Our class has been working hard this month. Students have been learning about current events in our News 2 You articles and reading fun Halloween stories! Students visited Westview Orchards and picked out a pumpkin to decorate at home. We also enjoyed donuts and cider. Our class also has declared Wednesday as Waffle Wednesdays! Students are learning about ingredients and following a recipe.

## Ms. Mary Beaumont Class

Happy Halloween from Room 104! We cannot believe it is almost November. This school year is flying by already! Our classroom has been busy learning about all the different colors and Halloween this past month. We have had fun with all the Halloween activities, including the spooky gym, the Halloween photo drop, and the Frankenstein lab! Everyone was excited to dress up for Halloween and go around the school trick or treating. Our classroom is also really excited to start participating in the Community Based Instruction (CBI). We have a fun CBI planned at the Romeo Library in November where students get to listen to a book and then complete a craft. It has been an awesome start to the new school year, and we look forward to all of the exciting events and activities planned for the rest of the school year!
