

Community Speech & Language Therapy Resources

2022

The following constitutes a partial listing of community speech and language therapy resources known to be currently available in or near Macomb County. This is not intended as an endorsement of any specific program or provider. Information regarding fees is available by contacting the providers. Most of the agencies or therapists are offering telepractice as an option this summer.

Provider: Center for TLC

The Center for TLC offers Occupational, Physical, Speech, ABA, and Massage Therapy services to assist with all of your child's needs. We develop individualized goals and treatment plans tailored to each child in collaboration with both the child's family and with each disciplines the child requires.
