**Story Retelling Task**

Read the following story to the child, pointing at each picture as you tell each part.

- One day a mama bird sat on her nest keeping her baby birds warm.
- The babies got hungry so the mama bird left to go find food for them to eat.
- The babies were all alone. They waited for their mama to come back.
- At the end, the mama bird came back with a worm. She fed the worm to her baby birds.

Ask the child to tell you the story using the pictures.

**Record here your best estimate of what the child said.**
