## **ELITE HOME STUDY CATALOG COURSES FOR CONTINUING EDUCATION:**

Pam Manela, CE Collaborative Rep for MASSW, has been receiving inquiries about the legitimacy of the *ELITE Home Study Catalog Courses* for Social Work Continuing Education Hours. ELITE courses **ARE APPROVED** by the MI Social Work Continuing Education Collaborative. NOTE: Licensed Social Workers in Michigan may take up to **TEN (10)** CE Hours of home-study, tele & videoconference or online.

**ELITE HOME STUDY IS an APPROVED PROVIDER through JULY 1, 2009.**

If you need additional information, please contact: P. Manela, CE Collaborative Rep for MASSW ([pkmanela@earthlink.net](mailto:pkmanela@earthlink.net)).

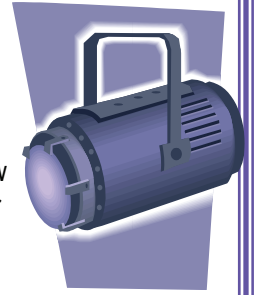

## **TRACKING YOUR CE HOURS AND MAINTAINING YOUR RECORDS FOR AUDIT:**

All Michigan licensed social workers are responsible for tracking their continuing education hours and for maintaining the documentation records of those hours. Although CE approved providers are tracking attendance, **you are responsible for maintaining your own continuing education hours!** You must keep your proof of participation (certificates) of the required 45 continuing education clock hours for **at least four years after your renewal cycle has ended**, which would result in saving documentation for a **total of seven years** if you begin taking credits during the first year of your renewal cycle. According to the Michigan Department of Community Health, Licensing Division (MDCH), social workers will renew their license as they always have in the past. Once the renewal process is complete, the MDCH database will randomly select 10% of those who renewed their license for an audit. The first group to renew under the new licensure law requiring continuing education has a license expiration date of April 30, 2009. If your name is selected for the audit, you will be notified and asked to send proof of your compliance with the required 45 continuing education hours to MDCH. (**Please note:** you do not want to send MDCH your attendance documents unless you are required to comply with an audit request.) Once MDCH receives your documentation as proof of your compliance with the continuing education requirements, they will verify that the CE hours you earned are CE hours that were provided by "approved" course sponsors. For more information, check out the MASSW state website: <http://www.masswmi.org>

## **PBS DOCUMENT HOT OFF THE PRESS!!!** (The attachment found at [www.misd.net/ssw](http://www.misd.net/ssw))

**Check out the newly released copy of the 2008 *School-wide Positive Behavior Support, Implementation Guide*.** Sharon Fink from the Michigan Department of Education recently sent a copy to those on the list serve stating, "Feel free to copy and distribute this to interested persons. This document will assist school districts in implementing the State Board of Education's Policy on School-wide Positive Behavior Support." The 2006 Michigan State Board of Education Policy states that "it is the policy of the State Board of Education that each school district in Michigan implement a system of school-wide positive behavior support strategies."
