BULLY
& VIOLENCE PREVENTION

Engage students and raise test scores with teacher-friendly strategies you can implement tomorrow! In this workshop, you'll learn management tips, how to form effective teams, strategies for creating a cooperative class through teambuilding and classbuilding, and why cooperative learning produces gains when group work often fails.

- Pump up the fun, friendships, and liking for learning and each other with Classbuilding and Teambuilding
- Experience why group work simply doesn't work for everyone, and why Kagan Structures do
- Save valuable time and energy with easy-to-use structures that make lesson planning a snap
- Keep students on task and effectively manage disruptions with engaging structures
- Master the different types of pairs and teams, how to form them, and when to use them
- Provide students the will to work together and the skills to do so successfully
- Take away hot management tips that will make managing your cooperative class a snap
- Fully understand and implement basic principles that spell success for your students
- Create an environment where all students are accountable for complete engagement, every day

Win-Win Discipline

October 4, 2022
\$219 • WS #35068

Go beyond ending disruptions; teach responsible behaviors and life skills. In this Win-Win Discipline overview, you'll learn all the basics: to identify the four types of disruptive behavior; to recognize the seven positions from which they spring; and what to do in the moment-of-disruption.

- Boost your confidence in handling all types of disruptions you face
- Understand why your students misbehave and what to do about it
- Promote responsible behavior in your classroom
- Deal appropriately with aggression, confrontations, rule breaking, withdrawal, and clowning
- Channel your overly energetic students' disruptive behavior into productive learning
- Adopt preventative discipline strategies that address problems before they happen
- Create a safe, comfortable classroom focused on learning, not discipline
