September 27, 2023

October 4, 2023

6:00pm – 8:00pm

Virtual

*Zoom Link will be sent out prior to meeting date

Information from the Resource

From phonological processing to brain research to orthographic mapping to self-teaching hypothesis, “*Shifting the Balance*” cuts through the rhetoric (and the sciencey-science) to offer readers a practical guide to decision-making. The authors honor the balanced literacy perspective while highlighting common practices to reconsider and revise-all through a lens of what’s best for the students sitting in front of us.

Across six shifts, each chapter...

- **Identifies** a common instructional practice to reconsider
- **Explores** various misunderstanding that establish and keep that practice in play
- **Shares** scientific research to support its reconsideration
- **Proposes** an instructional shift to apply a new perspective, and
- **Details** several high-leverage instructional routines to support implementation of that shift.

Online Registration: events.misd.net

- Login or Create New Account
- Search for Course in search bar
- Click on Course Name and “Add to Cart”
- Click on “Checkout” to review your cart
- Click on “Proceed to Payment” and choose method of payment
- Click on “Place Order Now”
- When payment is complete, “Print Receipt”
- You will receive an email confirmation

Cost (includes Book): \$40

Cost (without Book): \$0

Send payment via VANMAIL, or US Mail to:
