The Macomb Teacher Leader Program

Cohort 7

June 2025 - June 2027

Supporting teachers as leaders since 2008

A teacher leader is a person who demonstrates the skills of a highly effective teacher and can positively influence their school and community to improve student outcomes.

The Macomb Teacher Leader Program is a two-year cohort learning experience designed to develop the leadership skills of teachers in four areas: Teacher as Instructional Expert, Teaching in the 21st Century, Teacher as Team/School Leader, and Teacher as Facilitator/Mentor/Coach.

Pillars of Learning:

- Teacher as Instructional Expert
Teacher leaders embed evidence-based instructional practices to reduce the variability within and across classrooms for all students as well as monitor the relationship between student learning and intended outcomes.
- Teaching in the 21st Century
Teacher leaders understand the critical issues impacting schools and the students they serve leading to the creation of a classroom environment that is responsive to the social, emotional, and academic needs of all learners.
- Teacher as Team/School Leader
Teacher leaders engage in a principle-centered approach to both personal and interpersonal effectiveness that supports collaborative work.
- Teacher as Facilitator/Mentor/Coach
Teacher leaders operate within a framework of adult learning theory and apply it to coaching, mentoring, professional learning, and professional communities.
- Capstone Project (Required for completion of the program)
Teacher leaders will complete a capstone project that encapsulates the knowledge and skills developed within the program.

Requirements:

- Willing to implement the skills and knowledge contained within the Michigan Teacher Leader Standards
- Hold an active Michigan Teaching Certificate
- Attend summer, Saturday, and evening learning sessions
- Complete and present a capstone project

Who: Educators interested in developing and expanding their leadership capacity. Educators that participated in the Teacher Leader Program Cohorts I-XI or the Galileo Consortium are welcome.

When: June 2025 - June 2027 (two-year cohort program)

Cost: \$1200 (Macomb County Teachers)
\$1800 (Out-of-County Teachers)

The Macomb Teacher Leader Program is approved by the State of Michigan. This approval allows participants who have successfully completed the program, hold a Professional Teaching Certificate, and meet state requirements to be eligible to:

- Apply for a Teacher Leader Endorsement upon fulfillment of all program requirements.
- Earn an Advanced Professional Teaching Certificate. Application for this certificate is optional and not a requirement of the program.
