

# MISD Spring into STEM

MISD Maker Nights

## Come Join Us for MISD Maker Nights!

Are you interested in the Maker Movement or STEM in education and looking for ways to bring Design Thinking and hands-on learning into your classroom? Join us for an evening of Making! Explore many ways you can infuse making into your classroom, no matter what you teach! Sessions will be led by REMC Classroom Makers and other maker experts for a day of hands-on opportunities. Come out and develop your maker skills while collaborating with other educators. All classes run from 4:30 PM - 6:30 PM.
