

Macomb ISD is providing the following information in compliance with Michigan state school aid legislation for the school year 2014-15:

This dashboard/report card is required to include the following items:

- a) revenue and expenditure projections for the intermediate district for 2014-2015 and 2015-2016
➔ This information can be found at [MISD Projected Budgets](#)
- b) b) a list of all debt service obligations, detailed by project, including anticipated 2014-2015 payment for each project, and
- c) c) a listing of total outstanding debt
➔ This information can be found at [MISD Audited Financial Statement](#)

Additionally, this dashboard/report card is required to include the following items:

(i) A list of services offered by the intermediate district that are shared by other local or intermediate districts and a list of the districts or intermediate districts that participate.

Macomb ISD provides a wide array of educational support services, as well as directly educating students with special needs in ISD-operated schools throughout Macomb County.

Success Mile Academy

(ii) The total cost savings to local or other intermediate districts that share services with the intermediate district.

The estimated total cost savings for all participating districts and public school academies:

- 2010-11: \$7,976,000
- 2011-12: \$8,243,000
- 2012-13: \$8,148,000
- 2013-14: \$8,237,000

(iii) The number and percentage of teachers in the intermediate district service area that are trained to integrate technology into the classroom.

- 2009-10: 74%, which was 5394 teachers
- 2010-11: 78%, which was 5597 teachers
- 2011-12: 74%, which was 5053 teachers
- 2012-13: this data is not available for 2012-13
- 2013-14: this data is not available for 2013-14

(iv) The total funds received from levying special education and vocational education millages, and the number of special education and vocational education students served with those dollars.

Total Funds from the Special Education Millage (includes Industrial Facility Taxes) were

- 2009-10: \$87,694,686
- 2010-11: \$78,430,148
- 2011-12: \$72,852,370
- 2012-13: \$68,475,335
- 2013-14: \$68,150,631

Students served with the Special Education Millage funds:

- 2009-10: data not available
- 2010-11: 18,010
- 2011-12: 18,351
- 2012-13: 18,622
- 2013-14: 18,155

MISD does not have a Vocational Education Millage

(v) The number and percentage of individualized education programs (IEPs) developed for special education students that contain academic goals.

- 2009-10: countywide IEP summary statistics for this year not available
- 2010-11: 18,240 IEPs countywide with 85% containing academic goals
- 2011-12: 18,625 IEPs countywide with 91% containing academic goals
- 2012-13: 18,894 IEPs countywide with 91% containing academic goals
- 2013-14: 18,432 IEPs countywide with 91% containing academic goals
